
BIOGRAPHICAL SKETCH

NAME KOSTAS STAMATOPOULOS	POSITION AND TITLE DIRECTOR, INSTITUTE OF APPLIED BIOSCIENCES [INAB] CENTRE FOR RESEARCH AND TECHNOLOGY HELLAS [CERTH], THESSALONIKI, GREECE		
EDUCATION/TRAINING			
INSTITUTION AND LOCATION	DEGREE	PERIOD	FIELD OF STUDY
ATHENS UNIVERSITY	MD	1983-1990	MEDICINE
ATHENS UNIVERSITY	PhD	1996-2001	MEDICINE, CLINICAL GENETICS

CURRENT POSITIONS

- 2013 - today Director, Institute of Applied Biosciences, CERTH, Thessaloniki, Greece
- 2013 - 2018 Visiting Professor on Lymphoid Tumor Biology, Uppsala University, Uppsala, Sweden
- 2018 - today Visiting Professor, Karolinska Institute, Stockholm, Sweden

WORK EXPERIENCE

- 2008 - 2013 Collaborating Researcher, Institute of Applied Biosciences, CERTH Thessaloniki, Greece
- 2006 - 2013 Head, Molecular Diagnostics Lab, Hematology Dept and HCT Unit, G. Papanicolaou Hospital, Thessaloniki, Greece
- 2003 - 2006 Research Fellow, Hematology Dept and HCT Unit, G. Papanicolaou Hospital, Thessaloniki, Greece
- 2001 - 2003 Resident in Hematology, Hematology Dept and HCT Unit, G. Papanicolaou Hospital, Thessaloniki, Greece
- 1997 - 2000 Resident in Hematology, First Department of Medicine, Laikon Hospital, University of Athens, Greece

POSITIONS OF RESPONSIBILITY

- 2020 - today National representative, Horizon Europe for Health, EU
- 2020 National representative, Era vs Corona Action, EU
- 2020 - today Research Committee, European Hematology Association - Committee member

2020 - today EU Affairs Committee, European Hematology Association - Committee member

2020 - today Health Data Working Group, European Hematology Association - Committee member

2018 - today Scientific Working Group on Precision Hematology, European Hematology Association – Steering Committee member

2018 - today Hellenic Precision Medicine Network in Oncology - Coordinator

2017 - today Steering Advisory Committee on Biomedicine, Ministry of Education, Research and Religious Affairs, Greece - Committee member

2017 Law Preparatory Committee on Bioethics, Ministry of Education, Research and Religious Affairs, Greece - Committee member

2016 - today Scientific Advisory Committee on Biomedicine and Drug Development, General Secretariat for Research And Innovation, Greece - Committee member

2016 - today ERIC, The European Research Initiative on CLL – Board Member

2016 - 2020 Fellowships and Grants Committee, European Hematology Association - Committee member

2015 - today European Expert Group on NGS Diagnostics in Lymphoid Malignancies - Board member

2015 - today Haematologica Journal – Editorial Board member

2015 - today IG Network, ERIC, The European Research Initiative on CLL - Coordinator,

2014 - today Splenic Lymphoma Group - Steering Scientific Committee Member

2012 - today Euroclonality-NGS Working Group - Steering Committee Member

2012 - 2014 Committee on Animal Research and Ethics, Ministry of Agricultural Development and Food, Greece - Committee Member

2011 - 2019 Hellenic Society of Haematology - Education Committee Member

2010 - 2011 Advisory Committee for Genetics, Central Health Council, Ministry of Health, Greece - Committee Member

2009 - 2013 Ethics Committee, CERTH - Committee Member

2008 - today IMGT/CLL-DB Initiative - Coordinator

MEMBERSHIP IN SCIENTIFIC ORGANIZATIONS

2012 - today Euroclonality-NGS Working Group

2009 - today Henry Kunkel Society, New York

2008 - today European Haematology Association (EHA)

2008 - today IMGT CLL-DB initiative - Founding member

2006 - today European Research Initiative on CLL (ERIC)

2003 - today Hellenic Society of Hematology

2003 - today IgCLL Group - Founding member

2000 - today American Society of Hematology (ASH)

ORGANIZATION OF SCIENTIFIC MEETINGS

2020	ERIC International Meeting on Chronic Lymphocytic Leukemia (virtual) - Scientific Committee Member
2020	ERIC International Workshop on Biomarkers in Chronic Lymphocytic Leukemia Chandigarh - Scientific Committee Member
2019	ERIC International Workshops on Biomarkers in Chronic Lymphocytic Leukemia Bethesda, Stresa - Scientific Committee Member
2018	ERIC International Meeting on Chronic Lymphocytic Leukemia - Scientific Committee Member
2018	ERIC International Workshops on Biomarkers in Chronic Lymphocytic Leukemia Moscow, Belgrade - Scientific Committee Member
2017	XVII International Workshop on Chronic Lymphocytic Leukemia - Scientific Committee Member
2014	Local Organizer, International Conference on New Concepts in B Cell Malignancies: From molecular pathogenesis to personalized treatment, European School of Hematology, Thessaloniki, November 2014
2013 - today	Educational Meetings on Hematologic Malignancies, Institute of Applied Biosciences, CERTH approved by the National Organization for Medicines, Greece - Coordinator
2011 - 2015	European Haematology Association - Member (CLL), Scientific Program Committee
2007 - 2011	Educational Workshop of IG gene analysis in CLL” <i>Uppsala 2007; Paris 2008; Thessaloniki 2009; Stresa 2011; Brno 2013; Uppsala 2016</i> - Organizing and Scientific Committee Member
2010	Antigens and Lymphomas Meeting - Organizer
2009	International Meeting on Splenic Marginal Zone Lymphoma - Organizer

PEER REVIEWING AND EVALUATION OF THE WORK OF OTHERS

I. Referee for scientific journals (Ad hoc reviewer)

Nature Medicine, Nature Communications, Blood, British Journal of Haematology, Haematologica, Clinical Cancer Research, Annals of Hematology, Leukemia, Leukemia Research, Leukemia & Lymphoma, Journal of Immunology, Seminars in Cancer Biology, Cancer Research, Frontiers in Biosciences, Acta Haematologica, International Journal of Cancer

II. Editor of scientific journals

Guest editor for 3 thematic issues in Seminars in Cancer Biology | 2013, 2016, 2021

III. Editor of the scientific book “ New Biological Prognostic Markers in CLL”, Wolters Kluwer/ Lippincott, 2010

IV. Referee for abstracts submitted to scientific events (Ad hoc reviewer)

Ad hoc reviewer for: European Haematology Association, American Society of Hematology, International Workshop on CLL, Hellenic Society of Haematology

V. Evaluator/reviewer of research funding applications

European Research Council, Hellenic Foundation for Research and Innovation, General Secretariat of Research and Technology of Greece, European Haematology Association, German-Israeli Foundation for Scientific Research and Development, Dutch Cancer Society, Austrian Ministry of Research, Flanders Research Foundation, Czech Ministry of Education and Research, Italian Association for Cancer Research, Kay Kendall Leukaemia Fund

TEACHING AND ACADEMIC SUPERVISION EXPERIENCE

I. Tutor in post-graduate training courses in the following academic institutions

Aristotle University of Thessaloniki, Thessaloniki, Greece | National and Kapodistrian University of Athens, Athens, Greece | University of Crete, Greece | Democritus University of Thrace, Alexandroupolis, Greece | University of Thessaly, Greece

II. Academic supervisor

- 2003 - today Supervisor for 13 PhD theses in academic Institutions in Greece
PhD students supervised: Anastasia Chatzidimitriou | Efterpi Kostareli
Tatjana Smilevska | Antonis Dagklis | Andreas Agathangelidis | Stavroula Ntoufa | Vasilis Bikos | Nikos Papakonstantinou | Maria Gounari | Katerina Gemenetzi | Marina Gerousi | Elisavet Chartomatsidou | George Gavriilidis
- 2007 - 2016 Co-supervisor for 3 PhD theses in Uppsala University, Uppsala, Sweden
PhD students supervised: Fiona Murray | Lesley-Ann Sutton | Panagiotis Baliakas
- 2002 - today Supervisor for 6 MSc theses in academic institutions in Greece
MSc students supervised: Athanasios Andreou | Evangelia Stalika | Anna Vardi | George Tsiolas | Athanasia Leontiadou | Anastasia Iatrou
- 2005 - today Supervisor for post-doc research
Post-doc researchers supervised: Anastasia Chatzidimitriou (2006-2013) | Nikos Darzentas (2006-2010) | Efterpi Kostareli (2009-2010) | Stavroula Ntoufa (2013-2020) | Nikos Papakonstantinou (2013-2020) | Alike Xochelli (2013-2019) | Lesley- Ann Sutton (2013-today) | Theodore Moysiadis (2014-2020) | Spyros Petrakis (2015-2020) | Christina Karamanidou (2015-today) | Fotis Psomopoulos (2015-2018) | Andreas Agathangelidis (2016-2021) | Anna Vardi (2016-today) | Panagiotis Baliakas (2016-2018) | Maria Koutroumani (2017-2021) | George Gavriilidis (2020-today) | Marina Gerousi (2021-today)

PUBLICATION RECORD

- 262 peer-reviewed publications in Pubmed (5 November 2021) | 224 original articles (including 28 Letters to the Editor), 38 reviews/editorials/guidelines
- h-factor: 57 | total citations: 12,360 (Google Scholar, 5 November 2021)
- 4 book chapters
- scientific editor: 1 book
